RE: Isaiah Carvalho, Jr.

DOB: 10/02/1986

To Whom It May Concern:

This letter is to inform you that Isaiah Carvalho successfully completed his assessment and evaluation for our Anger Management Program at Long Island Council on Alcoholism and Drug Dependence (LICADD) on 8/23/16.

It is our recommendation that Mr. Carvalho attend LICADD's 8 hour anger management class. This will allow him to develop healthier coping skills when it comes to his anger or other life stressors. The next 8 hour class is 9/24/16.

Mr. Carvalho was on time and engaged with clinician throughout assessment and evaluation.
